20 Declassified Files that Prove Governmental Crime and Conspiracy – Part 1

### Declassified files are useful

in a world where truth-tellers and open-minded investigators are shut down, censored and accused of being “conspiracy theorists.” Our world is fast becoming a **digital censorship grid**, where corporate technological behemoths like Google (who own YouTube) and Facebook rig algorithms (which control search engine results and news feeds) to elevate the information they want you to see and bury the information they don’t want you to see. Amazon too is part of this emerging multinational corporate technological oligarchy, and you may remember they have been caught **censoring books** in the past (such as *No One Died at Sandy Hook* by Jim Fetzer) by forbidding them to be sold on their platform. The handy thing about declassified docs is that they are genuine pieces of evidence that prove governmental criminality. It’s hard for naysayers and censors to deny the authenticity of governmental **declassified files** which show that our history is full of **conspiracy fact**, not conspiracy theory.

With that in mind, here is part 1 (click here for [part 2](#)) of a list of 20 declassified files (most from the US Government) proving the very real crimes it has been engaged in, spanning a variety of areas including forced sterilization, mind control, weather modification, false flag operations and igniting war. The documents speak for themselves.

### Declassified Files: Operation Paperclip

Think that World War II ended with the defeat of the Nazis? Think again. They didn’t get defeated; they just went south (Argentina) and joined the ranks of their conquerors (US, UK, Russia) in a dirty deal of legal immunity for inside information. The German scientists, technicians and engineers had made brilliant and groundbreaking advances in many fields in the leadup to and during the war, and the victors didn’t have a moral problem with the Nazi weapons of destruction ... the only problem was that the brilliant scientists were on the wrong side. The US got a sizeable portion of these Nazi scientists (around 1500) and smuggled them into NASA and the CIA, where some of them such as Wernher von Braun went on to make a name for themselves. Thus, the US willingly allowed its military and intelligence agencies to be infected with Nazi ideology, which continues to this day. You can read the declassified docs relating to **Project Paperclip** or **Operation Paperclip** [here](#).

Declassified files reveal the black-and-

The Nazi scientists from Project or Operation Paperclip that were brought into the US.

## Declassified Files: The Escape of Hitler and Other Nazis to Argentina

The mainstream narrative is that at the end of WWII, Hitler committed suicide in Berlin in a bunker. It's a nice story, but apparently, that's all it is – a story. In his book *Hitler in Argentina: The Documented Truth of Hitler's Escape from Berlin*, author Harry Cooper produced a slew of astounding evidence that Hitler and other top Nazis such as Martin Bormann traveled in German submarines all the way to Argentina. Some of the evidence that this astonishing claim is true are these [FBI declassified docs](#).

The article [FBI Quietly Declassified Secret Files Attesting Hitler Fled to Argentina in 1945](#) contains further information:

“Along with the FBI documents detailing an eye witness account of Hitler's whereabouts in Argentina, more evidence is coming to light to help prove that Adolf Hitler and Eva Braun did not die in that bunker. In 1945, the Naval Attaché in Buenos Aires informed Washington there was a high probability that Hitler and Eva Braun had just arrived in Argentina. This coincides with the sightings of the submarine U-530. Added proof comes in the form of newspaper articles detailing the construction of a Bavarian styled mansion in the foothills of the Andes Mountains. Further proof comes in the form of architect [Alejandro Bustillo who wrote about his design and construction of Hitler's new home](#) which was financed by earlier wealthy German immigrants.

... [an] archeologist from Connecticut State, Nicholas Bellatoni was allowed to perform DNA testing on one of the skull fragments recovered. What he discovered set off a reaction through the intelligence and scholarly communities. Not only did the DNA not match any recorded samples thought to be Hitler's, they did not match Eva Braun's familiar DNA either.”

## Declassified Files: Operation Northwoods

This is a great one for all those who think that the government would never hurt its own citizens. Operation Northwoods was the outrageous plan for the US military to attack its own people and cities (Washington DC and Miami) as a false flag operation to frame Cuba. It was a pretext to invade Cuba. The 1962 declassified US Joint Chiefs of Staff Memo was entitled “*Operation Northwoods – Justification for US Military Intervention in Cuba.*” In its own words, the document states that a “series of well coordinated incidents will be planned to take place in and around Guantanamo to give genuine appearance of being done by hostile Cuban forces.” Luckily JFK had the nous to reject the plan; by 1962 he had discerned the insidious influence of [Military Intelligence Complex](#) upon his presidency. ## Declassified Files: ColIntelPro

**ColIntelPro** has become a famous word of its own, derived from the full operational name Counter Intelligence Program. This was a program run by the FBI under Hoover which started in 1956. ColIntelPro was a series of undercover operations that targeted people and groups the US Government deemed were a problem, such as the communist party, other far left groups, civil rights groups, far right groups (e.g. the KKK) and individuals activists such as Martin Luther King. The scope of ColIntelPro was broad: it involved monitoring, surveilling, infiltrating, discrediting and disrupting. Although then Attorney General Robert Kennedy authorized some spying, the FBI was given an inch and took a mile (much like today's spy agencies), clearly overstepping the bounds of legality. It became a way for the government to intimidate and stifle dissidents. You can read declassified docs on ColIntelPro [here](#).

## Declassified Files: Operation Mockingbird

Operation Mockingbird was a CIA project to infiltrate and covertly control the media. It began in the 1950s under then CIA director Allen Dulles. The declassified files (most are classified and secret, but a tiny fraction [here](#)) show how the CIA infiltrated the mainstream media and had its pieces inserted into TV, newspapers and journals everywhere as "news" when they were nothing more than lies and propaganda. Richard Salant, former President of CBS News, once said that "our job is to give people not what they want, but what we decide they ought to have." Mockingbird was famously exposed in the 1975 Church Committee hearings (see an [video excerpt here](#)). Nothing much has changed today. Journalists worldwide are still on the payroll, and some were brave enough to talk about it, such as the late [Udo Ulfkotte](#).

[the arms in the warehouse] came from drugs.”

## Declassified Files: Operation Gladio

**Operation Gladio**, which still continues to this day, is the codename for a clandestine NATO “stay-behind” operation in Italy during the Cold War. The CIA spearheaded Gladio under the pretext of preventing the spread of Soviet communism in Europe. The name *gladio* is the Italian form of *gladius*, a type of Roman shortsword. Gladio came to refer to a whole range of stay-behind cells and groups in Europe, although originally, Operation Gladio was the Italian branch. Gladio became famous when then Italian Prime Minister Giulio Andreotti talked about it. Gladio involved the Freemasons, Mafia members and the Vatican, who all united with the CIA and NATO in a holy war against communism. Operation Gladio was responsible for some horrible atrocities and false flag attacks in Italy, such as the bombing of Bologna train station in 1980. Today, even the Western-backed fighters in Nazi Ukraine and Syria are basically Gladio fighters. Declassified files on Gladio can be found [here](#).

Stay tuned for [part 2](#).
